# Welcome to BLOOM Festival

BLOOM festival emerges into its second year, filling the university with vibrant, innovative activities and celebrations in the midst of the jacaranda season. Over the next couple of weeks we ask students, staff, alumni and the community to relax under their favourite trees and delight in the sea of purple the St Lucia campus so brilliantly delivers.

Join in the festival from Thursday 17 to Sunday 27 October. Visit [bit.ly/uqbloom2019](http://bit.ly/uqbloom2019) for more information.
