More flexibility with inductions

WE DID:

Inductions are now online for greater flexibility and to enable access for those inter-state or overseas. Another idea was to have social events prior to inductions. This sounds fantastic and we love to pilot this in 2021.

Develop a mid-way check-in

WE DID:

We created a mid-way survey for all students to complete, this survey will be launched for staff partners in Sem 2, 2020! The Op Group Student Reps also facilitated two coffee catch-up's! Thanks Mikki, Rhys, Miesha and Josephine!

Create a support resource for partners

WE DID:

In addition to the Handbook, we created a two-page handout which lists all of the key milestones and available support resources and events.

Redevelop the Retro Report

WE DID:

We continue to redevelop all of the reports each semester based on feedback. For Rounds 3 & 4 we have changed the workflow to enable separate student and staff reflections.

Develop workshops on partnership

WE DID:

We hosted a workshop in 2019 on the Partnerships ethos. The CoP meetings and Showcase also provide a wonderful opportunity to engage in this professional development. In 2021, we are planning to run these workshops.
