OPPORTUNITIES

TALK2ME

UC | Chile students meet with a partner from an English-speaking higher education institution to practice English and Spanish through conversation.

PALLQA

Program which seeks to enhance the commitment to society and leadership of our university community in a global society with allied organizations in Latin America, Asia-Pacific and Africa.

APACHETA

Apacheta is a four-week Spanish language and cultural immersion experience that integrates Spanish courses with intensive, credit-based courses in different disciplines. Participants will improve fluency in Spanish, learning from the local history and culture at the same time.

INTERCULTURAL APPROACHES FOR PUBLIC HEALTH IN TIMES OF PANDEMICS

Short term program and international experiential learning initiative that seeks to provide techniques for research to prepare young researchers for observing, developing, supporting, or finishing research projects in public or private institutions through an intercultural approach to health.

SPANISH IN CHILE

The program seeks to promote immersion in our language, full of passion, history, and tradition, through different on-campus, online, and tailor-made alternatives, allowing the participants to approach our culture, generating a unique and positive experience.

UC | CHILE SUPPORTS YOU

STUDENT AFFAIRS OFFICE

This office provides global development tools to our students, being a pillar in the creation of their UC | Chile identity. It offers: 1) Workshops in health promotion, sports and recreational activities. 2) Support in career building and study methods, and 3) student leadership programs.

CAMPUS MINISTRY

The Office of Campus ministry & Christian Culture invites you to be protagonist of your faith. Join solidarity and sustainability projects like Mision País, Trabajo País, Belén UC, among others.

SERVICE-LEARNING AT UC CHILE

Service-learning in UC | Chile (A+S in Spanish) is a teaching-learning methodology that seeks the active learning of students, applying the students knowledge to real contexts through services delivered to community partners with genuine needs. 18.000 students have developed projects in more than 500 community service projects (trainings, workshops, product design, diagnostics and health interventions).

STUDENT HEALTH SERVICES

UC | Chile is active in promoting lifestyles and ensuring a physical and mental well-being of our students. We have a team of psychologists specialized in university students, dental health specialists and a multidisciplinary team, composed by nurses, nutritionists and midwives, to care for the physical well-being of our community.
