STUDENT EXCHANGE AT UNIVERSITAS INDONESIA

We signed agreement with universities overseas on student exchange program allowing students from more than 30 universities in Asia, Europe, and Australia to study at UI. Our exchange students are not charged for academic fees during the study at UI. By the end of the program, you will be given a certificate of completion which can be used for credit transfer process to your home university.

This program offers you an opportunity to study at UI for one or two semesters and take a wide range of undergraduate or graduate program courses. To be able to participate in this program, you should be registered as a student in one of UI partner universities. Please check International Office in your university whether you are able to participate under this

STUDY ABROAD AT UNIVERSITAS INDONESIA

If you are not able to participate under exchange scheme, you may have the opportunity to apply in our study abroad program where you can also take some courses for one/two semesters at UI. If you are interested in joining this program, you are required to pay the tuition fee for international students depending on your period of study at UI. By the end of the program, you will also be given a certificate of completion which can be used for credit transfer process to the home university.

“It was a great experience for me to study in Universitas Indonesia. You can learn not only Indonesian language but also Indonesian culture, social, politics and so on. I hope you can be friends with many people and enjoy your life in Indonesia!”

– Kenta Sekine (Asia University)

By joining the program, you can
