of VIRGINIA

INTERNATIONAL
STUDIES OFFICE

The University of Virginia (UVA) was designed and conceived by Thomas Jefferson, the third President of the United States and the author of the Declaration of Independence. The University continues to reflect Jefferson's intent to prepare and produce leaders—independent and intelligent citizens ready to make their mark on the future. Founded in 1819, the University had a total enrollment of 25,018 for the 2019-20 academic year. UVA is the only U.S. University listed as a UNESCO World Heritage site. The University has eleven schools which offer a wide variety of academic disciplines and courses. UVA is home to the nation's oldest student-run Honor System, which requires that students pledge not to lie, cheat, or steal. In the 2018 *U.S. News & World Report's* rankings of best colleges, the University of Virginia was ranked the No. 3 best public university in the United States. UVA also ranks in the Top 25 among the best of all national universities, public and private, at No. 25.

Enrollment in the McIntire School of Commerce is limited to students from institutions that have an exchange agreement specifically with the Commerce School. Exchange students enrolled in the Law School, School of Nursing, Darden School of Business and the McIntire School of Commerce will receive separate instructions directly from those schools on course selection and enrollment procedures.

The [Graduate or Undergraduate Record](http://records.ureg.virginia.edu/) (<http://records.ureg.virginia.edu/>) includes the complete list and description of all courses offered at UVA.

The Course Catalog is the list of courses that are offered for a specific semester or term. It becomes available midway through the previous semester (about 3 months before spring semester classes begin and about 6 months before fall semester classes begin). **Please note that UVA cannot guarantee that an exchange student will be able to enroll in any specific course offered.**

ACCOMMODATION INFORMATION

Undergraduate exchange students are eligible to apply for residential (on-campus) housing at UVA. Housing offers are made on a space available basis and are not guaranteed. Students can find information about applying for on-campus housing [online](http://housing.virginia.edu/) at <http://housing.virginia.edu/>.

Housing options available to exchange students are listed under the “transfer student” link on the housing webpage.

If you prefer NOT to live in residential housing there are many options available off-campus near the University. Once admitted, students have access to a secure website that offers a listing of a wide variety of off-campus accommodations.

Students planning to apply for on-campus housing should note the date that housing will be available for move-in. Students who plan to arrive in Charlottesville before your residential housing becomes available will need to contact housing directly to arrange for an early move-in or make arrangements to stay at a local hotel.

ARRIVAL

TRAVEL TO CHARLOTTESVILLE

We suggest that students try to arrange to fly directly into the Charlottesville/Albemarle Airport (CHO), located approximately 7 miles (11.5 km) from UVA. The cost of flying into CHO can be somewhat more expensive than arriving at the closest international airport (such as Washington Dulles (IAD) located just outside of Washington, D.C.), but the cost of transportation by taxi or shuttle from Dulles may exceed the cost of the additional airfare. Taxi service is available from CHO. The University does not offer pick up service from the airport.

ORIENTATION

All exchange students are required to attend a mandatory orientation session held by the International Studies Office.

Additionally, the International Studies Office work with Global Greeters, a student group associated with the department, for fall orientation. Global Greeters host various events, such as meetup dinners, community reception, and Insider's Tour, to assist and welcome incoming international students.

ESTIMATED LIVING EXPENSES

Under the terms of UVA's exchange agreements, UVA tuition and student fees are waived for exchange students. Student fees do not include health insurance (see information below).

Additionally, the ISO requires that all students provide documentation of the availability of at least \$9,340 per semester of attendance at UVA. A bank statement and, if financial support is coming from someone other than the student, a letter of support from the sponsor (such as parents) is sufficient documentation of these funds. \$9,340 is the minimum estimated cost of living based on shared accommodation and including meals, housing, personal expenses, and books and supplies, health insurance. This does not include the cost of transportation to and from Charlottesville, entertainment, or any travel that you may plan to do while in the US. Please take this into consideration when planning for your exchange program.

OTHER USEFUL INFORMATION

HEALTH INSURANCE

Exchange students will be subject to the University's hard waiver requirement. All students must have insurance coverage that meets the University's requirement or will need to purchase the insurance endorsed for UVA through Aetna.

For additional information about the University's health insurance requirement please refer to the [Elson Student Health Center](https://www.studenthealth.virginia.edu/insurance) website, <https://www.studenthealth.virginia.edu/insurance>.

LOCAL TRANSPORTATION

Charlottesville is served by an extensive bus system that connects various parts of the University and the surrounding town. Buses are free to UVA students. It is not necessary to have a car. In addition, many students bike or walk to navigate the beautiful University grounds and to access nearby shops and restaurants.

UVA also has its own bus system to help students get to and from different areas of campus and adjacent neighborhoods.
