One that is ranked as one of **Europe's top universities**. One that's located in a **dynamic, vibrant city** with one of the **largest student populations** in Western Europe.

And if that's not enough, here are a few more reasons why The University of Manchester is such a good choice for Study Abroad:

THE CITY

The University is at the heart of Manchester, and the thriving, cosmopolitan and diverse city centre will play a big part in your life.

Manchester is famous the world over for music. Who can forget Oasis, The Smiths, New Order, Take That, the Bee Gees, Stone Roses and Simply Red?

Manchester United are probably the city's most famous sporting export and a Champions League match at Old Trafford is not to be missed
