Explore your global opportunities

with the Global Experiences Team - part of the Student Employability Centre
Global Experiences Team

Participating in a global experience is one of the most exciting and rewarding opportunities you can have while studying at The University of Queensland.

The Global Experiences Team manages the semester-based exchange program and coordinates a wide range of short-term experiences all over the world. We will support you through the process, from choosing a program that suits your needs and goals to applying and preparing to go. After returning to UQ, you will be invited to attend an employability seminar to help un-pack what you have gained from your overseas adventure.

A global experience is the ideal way to enhance your employability and have the experience of a lifetime.

Why have a global experience?

- Complement your degree and gain a new perspective on your studies.
- Challenge yourself and become more independent.
- Discover new career and academic opportunities.
- Make new friends from around the world.
- Improve your foreign language skills.
- Experience a different culture.
- Enhance your employability.
- Explore the world.

Student exchange program

This program offers you the opportunity to study overseas for a semester or year on exchange, while gaining credit towards your UQ degree.

With almost 200 exchange partners in 38 countries, student exchange is an ideal way to combine study and travel.

While on exchange, tuition fees at the host university are waived as you remain enrolled at and pay fees to UQ. Travel and living costs will vary depending on where you go, your travel plans and your spending habits.

While many of our partner institutions in non-English speaking countries offer a wide range of courses taught in English, exchange is also a great time to improve your foreign language skills or learn a new language.

Student Exchange Application Deadlines:
- 31 May for Semester 1 of the following year
- 31 October for Semester 2 of the following year

AMY

Sciences Po, France

The whole experience has left me a more effective communicator, a better listener and a more empathetic world citizen, all of which I can use in the professional sphere to make a bigger impact.
Short-term global experiences

If a full semester or year of exchange is not for you, there are also opportunities to have a global experience during the semester breaks.

Many of our international partners offer summer and winter programs where you can immerse yourself in language and culture, or take courses that are unique to that institution.

By participating in a short-term experience, you may be able to receive credit towards your UQ degree or you can choose to participate in a program for the experience itself and not receive credit.

Short-term experiences are a great way to discover more of the world, develop valuable contacts and make the most of your semester breaks.

Short-term Global Experiences Application Deadlines:
• 10 March for programs in Winter (July)
• 10 September for programs in Summer (December–February)

Financial support

Wondering how you will finance your global opportunity? Check out these options.

Grants and scholarships

The Student Employability Centre manages a range of funds to support student participation in global experiences.

These funds are allocated taking into consideration academic merit, financial hardship and strategic initiatives.

If you apply to participate in an exchange or short-term experience for credit, you will be automatically considered for funding. Additional funding for specific disciplines may also be available through your UQ School or Faculty.

Centrelink

You may be able to continue receiving Centrelink payments while studying overseas if you are receiving credit towards your degree program.

OS-HELP loan scheme

The Australian Government provides financial assistance to eligible students to undertake part of their course of studies overseas. The overseas study must count towards your current UQ program requirements. Once paid, the OS-HELP loan is consolidated with your accumulated HELP debt.

The amount of the loan varies depending on the location of study. Check the OS-HELP website for the latest loan amounts.

Australian Government Scholarships – New Colombo Plan

The New Colombo Plan (NCP) Scholarship Program is a prestigious scholarship scheme that provides an opportunity for high-achieving undergraduate students to undertake study in one of the eligible host locations across the Indo-Pacific region.

The scholarships are valued at up to $67,000. Scholarship recipients must undertake a study program (for at least one semester, but may be up to two semesters in duration) for which they will receive credit at their home university.

Tony

SWUFE International Summer School, China

I believe that the short-term program to SWUFE has opened me up to the diverse cultures in the world. The short time I spent in China helped me appreciate the cultural and societal differences between the two countries and allowed me to gain from the experiences of other exchange students from around the world.

Employability Award

Gain extra recognition for your global experience by participating in the Employability Award.

The Employability Award encourages you to get involved in extra-curricular activities that will enhance your employability. By joining this program, you will participate in a range of activities and events to help you develop key competencies that employers value. By reflecting on these experiences, you will understand your capabilities, and how you can communicate them to an employer and apply them in a work environment.
